

OFFICE...Many parents may know that, in the past, if we had an early dismissal during the day for Early Dismissal Go Home Drill, inclement weather, power outages, etc., we alerted parents/guardians through our Emergency Early Dismissal Call List. That list called 1 parent on each road and asked them to call friends, relatives and neighbors. We now have our WebConnect calling system. We will no longer use the Early Dismissal Call List. Everyone in the district will be receiving a call about the Early Dismissal through WebConnect. With this system, it is imperative that we have the correct telephone number to contact you. If you feel we do not have the correct numbers, please fill out the following slip and return to the school with your child/children. WebConnect will dial up to 3 different telephone numbers to reach you. We will make the necessary adjustments so that WebConnect will reach everyone.

Thank you.

TELEPHONE NUMBERS FOR WEBCONNECT

Student Name _____ Teacher _____

_____ Teacher _____

_____ Teacher _____

#1 Telephone Contact _____

#2 Telephone Contact _____

#3 Telephone Contact _____
