

**CORINTH ELEMENTARY PTSO MEETING**  
**December 11, 2008**

**Last Meeting Date: 11/6/08**

**Attendance: 5**

**MINUTES:** Book Fair banner returned and bill paid. Made plans for November Fun Night. Discussed need for insurance: where to get it, how much it costs, type of coverage. We approved a \$500.00 grant for the "Bucket Program," a self-esteem program for the children. We approved a \$200.00 grant for training staff to better the ambiance in the cafeteria. Goal: increase positive behavior and decrease negative, in an effort to better the eating experience. We approved a \$200.00 grant to support school social worker/school counselor programs for students. We approved \$200.00 grant to Physical Education requests. The Life Skills class from the middle/high school will be assisting the Holiday Shop. They will decoratively stamp paper bags to be used as gift wrap for Holiday Shop sales.

**NEW BUSINESS:** November Fun Night accrued a \$500+ profit. Thank you to all the parent and teacher volunteers. The children behaved well and really enjoyed the whipped cream throw; sold a few t-shirts that evening as well. October co-op check was for \$132.00. Becky will e-mail Sue minutes from the meetings to update information posted on the website. Hopefully, this will allow more people to offer assistance and know what we are planning and providing:

Calendar:	12/15-17	Holiday Shop: located upstairs in science room 8:15 a.m. – 1:50 p.m. Volunteers? Weekend date/time for set up Bank responsibility Inventory responsibility
