

# Corinth Middle School Library

## Library Club

All Students in grades 5-8 are welcome to join Library Club. Library Club members help to promote the library and its use. They are trained in working in the library and come to the library during study halls to help in the library and assist students in using the library. Some activities that members participate in are: sponsor “Design a Bookmark Contest”, Candy Gram Fundraiser, decorate the library and bulletin boards, make bookmarks and posters, make podcasts of favorite books they have read, all while having fun!
